#### Related Vocabulary Words:

- trash, treasure, better, bin, plastic, paper, glass, chute, garbage, recycle

#### Materials Needed:

- Large copy of fluency for “Recycle to Help the Earth” (This could also be hand-written on a whiteboard or typed on a projector), copies of the fluency passage for each student

#### Activity:

1. After watching the video and completing the extension activities, gather the students so they can see the fluency passage for the day.
2. Ask your students to find the first word of the passage. Have them follow along and point to each word as you read.
3. Read the passage out loud, pausing at the last word of every sentence so that all of the students can finish the sentence together.
4. Have your students read together. Call one student up to point to the words while the rest of the class reads together (chorally) at your lead.
5. Point to words in random order. Have your students read these words together.
6. Post the fluency passage in the classroom. Have your students read it throughout the day.

## Fluency Passage:

Your trash is my treasure,  
I know how to make it better!  
When you find the magic bin,  
You just smile and toss it in!  
The plastic stuff goes over there,  
The paper doesn't like to share.  
The glass has yet another spot,  
Goes down a chute, and might get hot!  
The garbage that you used to see,  
Now looks like jars or books for me!  
Before you throw your trash away,  
Try to recycle and save the day!
